

# BPK-SNAP

## Blank plates for KEL-SNAP frames

IP54 RoHS compliant Made in Germany

Blank plate BPK-SNAP to close cut-outs of pre-assembled KEL-SNAP frames.

A snap frame can be closed, i.e. during transport to avoid entry of dust, as long as a KEL frame is not mounted.

The BPK-SNAP blank plate is simply snapped on the KEL frame. There is no tool needed to remove it.

BPK-SNAP 16 and BPK-SNAP 24 for closing cut-outs of the KEL-SNAP mounting frames and unused slide frames of the KDR-ESR gland plates.

### Specifications

|             |                             |
|-------------|-----------------------------|
| Material    | Polyamide (PA)              |
| Flame class | UL 94 V-0                   |
| IP rating   | IP54                        |
| Temperature | -40°C to +80°C (static)     |
| Properties  | Halogen free, silicone free |

### Compatible with

|                                       |           |
|---------------------------------------|-----------|
| KEL-SNAP Mounting frames              | 52 - 55   |
| KDR-ESR Gland plate with Slide frames | 300 - 311 |
